Two Seminars Offered in Two Locations

Southern California – San Diego

April 24 – Part 1 May 1 – Part 2

Northern California – Sacramento

June 26 – Part 1 July 10 – Part 2

Cost \$195 per person per seminar – Includes all-day program, comprehensive manual, certificate of attendance, lunch & break refreshments. Seminar fee does not include accommodations or parking. Confirmation of attendance will be mailed upon receipt of registration form and fees. Confirmation packet includes location information and map.

The Part 1 and Part 2 seminars will be offered again in September-October 2004 in two locations (exact dates have not been confirmed, yet). You will receive a registration form for these seminars in August:

Southern California – Ontario

Northern California – Freemont

These seminars are available to the general public. Architects, school district representatives, and others interested in the school construction inspection requirements should attend.

Questions? Call Erika Zepeda at (916) 323-5971 or email her at erika.zepeda@dgs.ca.gov.

Inspector Training Seminars Spring/Summer 2004 Schedule and Registration Form

These seminars are designed to update the inspectors on the latest in California Building Standards Code and Division of the State Architect (DSA) requirements. The seminars also address construction and inspection-related problems encountered in school projects.

- **Seminars cover the 2001 Edition** of the California "Building Standards Code (Title 24), as well as the latest DSA Procedures and requirements.
- Common field problems as they relate to school construction are reviewed.
- Each DSA-accepted Assistant Inspector must attend **either** one of the two (Part 1 or Part 2) DSA Inspector Training Seminars, or the "Basics of School Construction" seminar offered by ACIA before acceptance expires if they want to extend their acceptance for an additional 2-year period.
